- Small and medium sized dogs are allowed, but may not exceed 12-15 kg.
- In the public areas of the hotel, animals must be kept on a leash or in a cage.
- Dogs are not allowed in the pool area and in the restaurant; they can be on the terrace restaurant and on the beach, but always on a leash.
- In each room a maximum of one animal may live.
- Each guest must be adequately equipped for the welfare of their own pet, including their own travel kennel and transport box for car or boat.
